

## Greensboro Swim Program

Lorelei Wheeler, Chair

Greensboro Swim Lessons were taught weekdays (2 weeks) at Caspian Lake from 10:00 – 10:45 and 11:00 – 11:45 AM July 9 – 20, 2012. Collaboration with Hardwick REACH/Hardwick swim lessons coordinator Nicole Miller was vital, as always. It was surprisingly difficult to schedule instructors, a task that we always begin early.

The Hardwick REACH program is a part of the OSSU school district, so each swim teacher/team member underwent a criminal records check, as they technically are school employees. This is an extra layer of security that costs Greensboro Swim nothing, but rewards us with its benefits. Each swim instructor submitted a time sheet and was paid \$10.00 per hour.
