Music Committee Report

August 9, 2013

Once again, I am pleased to report that the Sunday Evening Lake Concerts have been well received in this, the 68<sup>th</sup> year that they have been originated from the Landon Lake House.

Attendance has been down a bit because of the wet weather so there has been plenty of room in the rocking chairs on the front porch, and there are always some hardy souls out on the lake despite the weather.

Eight concerts have been planned for this year with the last concert to be held on August 25<sup>th</sup>.

Special thanks go to Chase Stone for his invaluable help in setting up and tearing down the equipment and setting up the porch rocking chairs each Sunday.

And a special plea from your Chairman: We need additional members on the Music Committee if the Sunday Evening Lake Concerts are to continue in the future. No special knowledge or expertise is necessary, just a love of classical music. Please call John Hewett at 533 – 2259 to discuss what is involved.

Our equipment continues to serve us well, and we have over \$600 in our checking account to purchase new CD's and cover any other expenses.

As ever, Lisa and I have enjoyed hosting these concerts and look forward to another fine season of Sunday Evening Lake Concerts next year.

Respectfully submitted,

John B. Hewett, Chair  
The Greensboro Association Music Committee
