

**The Greensboro Association
Music Committee Report
August 2014**

Once again, I am pleased to report that the Sunday Evening Lake Concerts have been well received in this, the 69th year that they have been originated from the Landon Lake House.

Attendance has varied greatly with a high point reached on August 3rd when we had 22 on the front porch, 14 on the lawn, including six under the age of three, some of whom were fourth generation attendees, and six boats out on the lake.

A total of eight concerts have been planned for this year with the last concert to be held on August 24th.

Special thanks go to Elias Ranz-Schleifer for his help in setting up and tearing down the equipment and setting up the porch rocking chairs during the month of July.

And as has been the case for the past several years, we need additional members on the Music Committee if these Sunday Lake Concerts are to continue in the future. Please contact John Hewett at 533 – 2259 to discuss your interest and possible involvement.

Our equipment continues to serve us well, and we have over \$500.00 in the Music Committee account for CD purchases and any other expenses.

As ever, Lisa and I have enjoyed hosting these concerts and look forward to another successful season next year.

Respectfully submitted,

John B. Hewett, Chair
Greensboro Association Music Committee
