Skida, and Willey's!

# THE CASPIAN CHALLENGE!

## SUNDAY, JULY 25, 2021

REGISTRATION ONLINE & 8-9am on 7/25 at Ball Field

**SELF-TIMED RACE BEGINS AT 8:30 am;  
RUNNERS MAY ALSO START LATER**

The 10th Annual Caspian Challenge lake run/5K, sponsored by the Greensboro Association, is open for registration now! Join us for a morning of community support and fun activity—but please bring masks (for start and finish), a watch to time yourself, and be conscious of distancing.

Proceeds from this year's Caspian Challenge have been designated by the GA board to support Greensboro's Walk/Bike Task Force. Whether you run, walk, or just come as a cheering squad – we want you to be distanced but involved!

For more information, or to register starting June 1, go to [greensboroassociation.org](https://greensboroassociation.org)  
**Pre-register online** – \$15.00 donation suggested.

The race will again be self-timed this year, with participants reporting their times online after the race. Prizes will be awarded by a random drawing of registered participants; prize pickup at end of race.!
