

## **The Greensboro Association Calendar Committee 2021 Report**

The Calendar Committee's role is to publish and maintain an online calendar located on the GA website and to curate, produce and edit both online and a printed "Green Sheet" calendar. The town helps with printing the calendar for distribution. In May and June, the committee reviews calendar items to help determine which are appropriate for the printed Green Sheet. We seek to keep the printed sheet as "major events"—one page for July and one for August.

2021 was another exceptional year with the pandemic. We restarted the online version of the calendar and deployed the self-publishing form for meeting organizers.

GA Board discussion about the merits of a printed Green Sheet (vs online only) was mixed and in 2021, the committee did not publish a printable (PDF) Green Sheet calendar. We will look to 2022 to potentially restart the printable calendar.

Respectfully submitted,

John Stone, Chair

Committee: Emily Purdy, Tim Nisbet, Sara Slater, John Stone
