We appreciate that Linda and Betsy will continue to work within our committees including communication and directory.

Also, thanks to Linda Ely, Naomi Ranz-Schleifer and Mary White for serving on the nominations committee.

Now that the slate has been passed, we will actively work to augment the committees of the GA. These are non board positions, but are a good chance to see how the GA works and to provide input. If you have interest in any of our committees, or would just like to be involved, please email the new Nominations chair John Stone at jcstone@gmail.com– Your interest is very welcome.
