

GREENSBORO ASSOCIATION
GOVERNANCE COMMITTEE REPORT

August 3, 2023

Committee Members: Cathy Irwin, John Stone, Naomi Ranz-Schleifer (Chair)

The Greensboro Association (GA) Governance Committee continued to build on the work of the organization's updated Bylaws by finalizing committee descriptions for all other standing committees not detailed in the bylaws. The Committee worked with each of the committees to draft standard operating procedures and working policy documents to support the GA's work as the organization continues to grow. The work of the Governance Committee is ongoing and continues to provide recommendations for streamlining procedures and operations.

Respectfully Submitted,

Naomi Ranz-Schleifer, chair
