## CASPIAN LAKE WATERSHED ACTION PLAN

COMMUNITY INPUT MEETING

**AUGUST 30 @ 5:30PM**

UNITED CHURCH OF CHRIST  
FELLOWSHIP HALL, GREENSBORO

Join us for a review of the field assessment results and hear about the project ranking process that identifies the best potential restoration projects for our watershed.

*What's a Lake Watershed Action Plan? An LWAP is an assessment & planning tool that identifies the greatest threats to a lake ecosystem. Developing an LWAP requires local interest, support & participation.*
